Penance for his sin, he locked it in for just a little while  
Lubricating creams, sanitariums would only cramp his  
style

It's a dirty job but shooting guns just makes you horny  
Wants to spill his seed on guaranteed, service with a  
smile.

Miss Money penny

Miss Money penny

Oh

Miss Money penny

Miss Money penny

Oh

Pitter patter of the eyelid on the first roll of the dice  
Feel the atmosphere, it's gently laced with nicotine and  
spice

It's a long walk home, the entrance of the night is scary  
Only trouble is, he never learned to shoot the same gun  
twice

Miss Money penny, Miss Money penny, Oh

Miss Money penny, Miss Money penny, Oh

Every job he saves

Martini, mobile phone

Bastards getting in his way

They're all pushing daisies

All you need to make a movie is a gun and a girl
