It echoes in my brain
I didn't mean it
Pulses through my vein
I didn't mean it
I'm the one to blame
I didn't mean it
Did too much cocaine
I didn't mean it
Slackerbitch, fag hag whore
Looks real cute, her lips are sore
Slackerbitch, fag hag whore
Always comes back for more
Your memory will fade
I didn't mean it
You've always had it made
I didn't mean it
I know you feel betrayed
I didn't mean it
I just wanted to get layed
I didn't mean it
Slackerbitch, fag hag whore
Looks real cute, her lips are sore
Slackerbitch, fag hag whore
Always comes back for more
You come across impure
I didn't mean it
Your God damn imature
I didn't mean it
You act so insecure
I didn't mean it
You hate me now, I'm sure
I didn't mean it
Slackerbitch, fag hag whore
Looks real cute, her lips are sore
Slackerbitch, fag hag whore
Dripping sex from every pore
Slackerbitch, fag hag whore
Looks real cute, her lips are sore
Slackerbitch, fag hag whore
Such a mother fucking whore
