Rock boy
His genital sack juice mad
His delicious apparatus
Would flutter and tremble
After heated worship
He would freeze it in a jar
And sell it to celebrity lesbians
Good work if you can get it
Good work if you can get it
They wanna buy it in kilos
They wanna buy it in grams
They wanna buy it in kilos
They wanna buy it in grams
You know they're down with the metric system
They never fuck around
They wanna buy it in kilos
They wanna buy it in grams
You know they're down with the metric system
They paying by the pound
Good work if you can get it
Rock boy
His genital sack juice mad
His delicious apparatus
Would flutter and tremble
After heated worship
He would freeze it in a jar
And sell it to celebrity lesbians
Good work if you can get it
Good work if you can get it
Good work if you can get it
Good work if you can get it
They wanna buy it in kilos
They wanna buy it in grams
They wanna buy it in kilos
They wanna buy it in grams
You know they're down with the metric system
They paying by the pound
They wanna buy it in kilos
They wanna buy it in grams
You know they're down with the metric system
They paying by the pound

They wanna buy it in grams
They wanna buy it in kilos
They wanna buy it in grams
You know they're down with the metric system
They never fuck around
They wanna buy it in kilos
They wanna buy it in grams
You know they're down with the metric system
They never fuck around
