With your feet in the air and your head on the ground
You try this trick and spin it, yeah
Your head will collapse
And there's nothing in it
And you'll ask yourself

Where is my mind X3

Way out in the water
See it swimmin'

With your feet in the air and your head on the ground
Try this trick and spin it, yeah
Your head will collapse
If there's nothing in it
And you'll ask yourself

Where is my mind X3

Ahhhh, Ahhhh...
