There are twenty years to go  
and twenty ways to know  
who will wear  
who will wear the hat

There are twenty years to go  
the best of all i hope  
enjoy the ride  
the medicine show

And them the breaks  
for we designer fakes  
we need to concentrate on more than meets the eye

There are twenty years to go  
the faithful and the low  
the best of starts  
the broken heart,the stone

There are twenty years to go  
the punch drunk and the blow  
the worst of starts  
the mercy part,the phone

And them the breaks  
for we designer fakes  
we need to concentrate on more than meets the eye

Them the breaks  
for we designer fakes  
but it's you i take it's you, 're the truth, not i

There are twenty years to go  
a golden age i know  
but all will pass  
will end too fast,you know

There are twenty years to go  
and many friends i hope  
though some may hold the rose  
some hold the rope

and that's the end and that's the start of it  
that's the whole and that's the part of it  
that's the high and that's the heart of it  
that's the long and that's the short of it  
that's the best and that's the test in it  
that's the doubt, the doubt, the trust in it  
that's the sight and that's the sound of it  
that's the gift and that's the trick in it

you're the truth, not i  
you're the truth, not i

you're the truth, not i  
you're the truth, not i
