Let me tell you this story about this ambidextrous talk
show host that
I used to live with who once told me that the sky was
green.
I didn't believe him so I hit back with a short sharp shot,
disco me to oblivion baby.
He uh, couldn't appreciate my sense of humor and
that's when we started to grow apart.

Heartbreaker
Homemaker
Heartbreaker

Strange
Feeling
Pain
Feeling
Wretched
Oh
My soul

No pain
No gain

Well things didn't improve for our relationship when
I was seduced by his wife and then I fell in love with his
daughter.
And I can't help who I fall in love with, ok?
Then one day I accidentally castrated his prized poodle
with an electric can opener. Oucha!
He kicked me out of the house and he burnt all my
pictures of this sweet
If it don't hurt
It don't work
No
I was alone but that was only the beginning
Said I was alone but that was only the beginning
Yeah I was alone but that was only the beginning
I was alone but that was only the beginning

Homemaker
Heartbreaker

Heartbreaker

Strange
Feeling
Pain
Feeling
It's wretched
Oh
My soul

Who do we appreciate?

Who do we appreciate
