If I could tear you from the ceilin'  
And guarantee source divine  
Rid you of possessions fleetin'  
Remain your funny Valentine

Don't go and leave me  
And please, don't drive me blind  
Don't go and leave me  
And please, don't drive me blind

If I could tear you from the ceilin'  
I know best have tried  
I'd fill your every breath with meanin'  
And find the place we both could hide

Don't go and leave me  
And please, don't drive me blind  
Don't go and leave me  
And please, don't drive me blind

You don't believe me  
But you do this every time

Please, don't drive me blind  
Please, don't drive me blind

I know you're broken  
I know you're broken  
I know you're broken

If I could tear you from the ceilin'  
I'd freeze us both in time  
And find a brand new way of seein'  
Your eyes forever glued to mine

Don't go and leave me  
And please, don't drive me blind  
Don't go and leave me  
And please, don't drive me blind

Please, don't drive me blind  
Please, don't drive me blind

Please, don't drive me blind  
Please, don't drive me blind

I know you're broken  
I know you're broken  
I know you're broken
