Meet the brick shithouse

Don't you wish you'd never met her?  
Don't you wish you'd never met her?  
Don't you wish you'd never met her?

Lay him down, lie on  
Lay him down  
Now your lover went and put me in the ground  
I'll be watching, when he's around  
Now your lover went and put me in the ground  
I'll be watching

Meet the brick shithouse  
Kiss the brick shithouse  
Meet the brick shithouse  
Kiss

Lay him down, lie on  
Lay him, down  
Now your lover went and put me in the ground  
I'll be watching, when he's around  
Now your lover went and put me in the ground  
I'll be watching, when he's around

When you cum you never make a single sound  
I'll be watching, when he's around  
When he's around, when he's around  
He's around

Don't you wish you'd never met her?  
Don't you wish you'd never met her?  
Don't you wish you'd never met her?

Lay him down, lie on

Lay him down  
Now your lover went and put me in the ground  
I'll be watching, when he's around  
Now your lover went and put me in the ground  
I'll be watching, when he's around

When you cum you never make a single sound  
I'll be watching, when he's around  
When he's around, when he's around  
He's around

Don't you wish you'd never met her?  
Don't you wish you'd never met her?  
Don't you wish you'd never met her?
