Image image you do what you want (x6)  
You're a carbon kid with a sinister diagram

Image image we're leaving the ground,

Image image we're leaving the ground  
Image image we'll never be found,  
Image image we'll never be found,  
Image image we'll never be found  
You're a carbon kid with a sinister diagram  
With a sinister diagram  
Sinister diagram

And when this half is over and we claim our second  
skin,  
We can compliment each other on the state that we are  
in,  
And when we leave this place forever and we're  
floating round in space,  
Take the easy way to heaven with a smile upon your  
face
