Oh where are you now  
pussy willow that smiled on this leaf?  
When I was alone  
you promised the stone from your heart.  
My head kissed the ground  
I was half the way down  
treading the sand  
please.

Please lift a hand  
I'm only a person  
whose armbands beat  
on his hands, hang tall  
Won't you miss me?  
wouldn't you miss me at all?  
Oh  
Oh  
Oh  
The poppy bird's way  
swing twigs coffee brands around  
brandish her wand with a feathery tongue  
My head kissed the ground.  
I was half the way down  
treading the sand  
please  
please

Please lift a hand  
I'm only a person  
with eskimo chain  
I tattooed my brain all the way  
Won't you miss me?  
wouldn't you miss me at all?  
Oh  
Oh  
Oh
