A little cough
Ermmmmm
Ermmmmm
Looks like,
Looks like I left the sh*t again...
So... Ermmmmm
You take care
Then..
And...
If I haven't left the sh*t again
Then...
God...
God...
Ermmmmm
Ermmmmm
Keep this in mind baby...

Love you loads
Ermmmmm
Don't worry about Mike bloke
Ermmmmm
Jealous bloke
Ermmmmm
Don't worry about him
He is like...
And I'm like...
Sometimes he's at it or not,
And he picked on Michael

BIP

Ermmmmm
I love you loads
And
I want to give you the biggest,
Biggest kisses
And...
