The call to arms was never true  
Time to imbibe, here's to you  
I'll tell you stories bruised and blue  
Drum machines and landslides

Just one more round before we're through  
More psychedelic yuppie flu  
It's such a silly thang to do  
Now we're stuck on rewind

Let's follow the cops back home  
Follow the cops back home  
Let's follow the cops back home  
And rob their houses

The call to arms was never true  
Let's take a ride and push it through  
Suspended animation in blue  
Blame it on apartheid

Let's spend the night in Jimmy Choo's  
I'll give you coats and cheap shampoo  
I'll give you nothing else to do

Now we're stuck on rewind

Let's follow the cops back home  
Follow the cops back home  
Let's follow the cops back home  
Rob their houses

Let's follow the cops back home  
Follow the cops back home  
Let's follow the cops back home  
Rob their houses

The call to arms was never true  
I'm medicated, how are you?  
Let's take a dive swim right through  
Sophisticated point of view

Let's follow the cops back home

Follow the cops back home  
Let's follow the cops back home  
And rob their houses

Let's follow the cops back home  
Follow the cops back home  
Let's follow the cops back home  
And rob their houses
