The way you're dancing
Makes me come alive
Makes me shiver and perspire
Your surreptitious glancing
The way you crack a smile
Nearly start a fire

So move closer
Want to feel your touch
So come over
Come on

Love of mine
This fortress in our hearts
Feels much weaker
Now we're apart
Love of mine
This fortress in our hearts
Comes crashing down

I need a change of skin
I need a change

The way you're moving
Makes me start to sigh
Makes you all that I desire
I shiver off my jeans and I'm so unsatisfied
You're all that I require

So move closer
Gotta feel your touch
So come over
Come on

So move closer
Gotta feel your touch
So come over
Come on

Love of mine
This fortress in our hearts
Feels much weaker

Now we're apart
Love of mine
This fortress in our hearts
Comes crashing down

I need a change of skin
I need a change

I need a change, I need a change of skin
I need a change, I need a change of skin
I need a change, I need a change of skin
I need a change, I need a change of skin

Love of mine
This fortress in our hearts
Feels much weaker
Now we're apart
Love of mine
This fortress in our hearts
Comes crashing down
