

Placebo "Monster Truck"

Visit "[Monster Truck](#)" on MotoLyrics.com

What she wants she will get
Baby throws her toys and gets all upset
"Bellboy do this, oh bellboy do that
Fetch my rattle in seconds flat"

She doesn't want a Mercedes
Or a sports car shiny and new
She doesn't want a Bentley
Or a BMW

Don't cry baby it would make me sad
I bought you cocaine and a penthouse pad
Whisper in my ear what it is you want
Is it to be the bullet or a rich old gun?

She doesn't want a Mercedes
Or a sports car shiny and new
She doesn't want a Bentley
Or a BMW

My baby wants a monster truck
She'll drive over your soul
My baby wants a monster truck
She'll drive over your soul
My baby wants a monster truck
She'll drive over your soul
My baby wants a monster truck
She'll drive all over your soul

She'll drive all over your soul

My spine is breaking and my hands are sore
Lying head to foot and licking the floor
I'll get you anything that you desire
Ever a small chihuahua or a pink pariah

She doesn't want a Mercedes
Or a sports car shiny and new
She doesn't want a Bentley
Or a BMW

My baby wants a monster truck

She'll drive all over your soul
My baby wants a monster truck
She'll drive all over your soul
My baby wants a monster truck
She'll drive over your soul
My baby wants a monster truck
She'll drive over your soul

She'll drive over your soul
She'll drive over your soul
