Never thought you'd make me perspire.  
Never thought I'd do you the same.  
Never thought I'd fill with desire.  
Never thought I'd feel so ashamed.

Me and the dragon can chase all the pain away.  
So before I end my day, remember..  
My sweet prince, you are the one  
My sweet prince  
you are the one

Never thought I'd have to retire  
Never thought I'd have to abstain  
Never thought all this could back fire  
Close up the hole in my vain

Me and my valuable friend  
can fix all the pain away  
So before I end my day  
remember  
My sweet prince  
you are the one  
My sweet prince  
you are the one

you are the one  
you are the one  
you are the one  
you are the one

Never thought I'd get any higher  
Never thought you'd fuck with my brain  
Never thought all this could expire  
Never thought you'd go break the chain

Me and you baby,  
still flush all the pain away  
So before I end my day  
remember  
My sweet prince  
you are the one  
My sweet prince

you are the one  
you are the one  
you are the one  
you are the one  
you are the one  
you are the one  
you are the one  
you are the one  
you are the one  
My sweet prince  
My sweet prince
