It's in your reach  
Concentrate  
It's in your reach  
Concentrate

If you deny this  
Then it's your fault  
That Gods in crisis  
It's over

It's in your reach  
Concentrate  
It's in your reach  
Concentrate

If you deny this  
Then it's your fault  
That Gods in crisis  
It's over

Every time I rise I see you falling  
Can you find me space inside you bleeding heart?  
Every time I rise I see you falling  
Can you find me space, find me space

It's in your reach  
Concentrate  
It's in your reach  
Concentrate

If you deny this  
Then it's your fault  
That Gods in crisis  
It's over

Every time I rise I see you falling  
Can you find me space inside your bleeding heart?  
Every time I rise I see you falling  
Can you find me space inside your bleeding heart?  
It falls apart  
It falls apart

It falls apart

Every time I rise I see you falling

Can you find me space inside you bleeding heart?

Every time I rise I see you falling

Can you find me space inside your bleeding heart?

It falls apart

Falls apart

Falls apart
