The sea's evaporating  
Though it comes as no surprise  
These clouds we're seeing  
They're explosions in the sky  
It seems it's written  
But we can't read between the line

Hush  
It's okay  
Dry your eye  
Dry your eye  
Soulmate dry your eye  
Dry your eye  
Soulmate dry your eye  
Cause soulmates never die

This one world vision  
Turns us in to compromise  
What good's religion  
When it's each other we despise

Damn the government  
Damn their killing  
Damn their lies

Hush  
It's okay  
Dry your eyes  
Dry your eyes  
Soulmate dry your eyes  
Dry your eyes  
Soulmate dry your eyes  
Cause soulmates never die

Soulmates never die  
Never die  
Soulmates never die  
Never die...  
Soulmates never die  
Soulmates never die  
Soulmates never die  
Soulmates never die
