"The Never-Ending Why"

Visit "[The Never-Ending Why](#)" on MotoLyrics.com

The atom will implode
The fragile kingdom fall
The tremor becomes a quake
There's a body in the lake

And as the two of us rebel
Damn you all to hell
I wonder if that's all there is

Time will help you through
But it doesn't have the time
To give you all the answers to the never-ending why

The sound of silence grows
As spiders kissing fly
And the tumour becomes a malign
But the kids are doing fine

And as the two of us rebel
And damn you all to hell
I wonder if that's all there is

Time will help you through
But it doesn't have the time
To give you all the answers to the never-ending why
