To call it silence  
To call it smarts  
Come together some  
It's slow but it works  
Sucker!  
Before you come on down...

Talk to me, selves, Spin around  
Talk to me, selves, Spin around

Spin around

Spin around

Well now you need me more than I need you  
Well now you need me more than I need you

Talk to me, selves, Spin around  
Talk to me, selves, Spin around

Well now you need me more than I need you  
Well now you need me more than I need you  
Well now you need me more than I need you  
Well now you need me more than I need you
