

Plague The City "The Formula"

Visit "[The Formula](#)" on MotoLyrics.com

What's the answer to the question
No one knows
And no one cares
But you think you know us
You don't know anything about anyone
This isn't right
This isn't right!
Do you think that we're not listening
To your lies
You can't stop us not this time

You don't know the formula
For what we do
When we do this to you
You don't know the formula
For what we do
When we do this to you

When push comes to shove
We won't; won't back down
We'll hold our own
You'll hear it now
SHH.
Don't make a sound
Forget all you've heard
About us now
We just wanna live our life out loud

Na-na-na-na
Na-na-na-na-ah-ah
Na-na-na-na-ah-ah-ah

Na-na-na-na
Na-na-na-na-ah-ah
Na-na-na-na-ah-ah-ah

You don't know the formula
For what we do
When we do this to you
(Na-na-na-na
Na-na-na-na-ah-ah
Na-na-na-na-ah-ah-ah)

You don't know the formula
For what we do
When we do this to you
(Na-na-na-na
Na-na-na-na-ah-ah
Na-na-na-na-ah-ah-ah)

You don't know the formula
For what we do
When we do this to you
(Na-na-na-na
Na-na-na-na-ah-ah
Na-na-na-na-ah-ah-ah)
You don't know the formula
For what we do
When we do this to you
(Na-na-na-na
Na-na-na-na-ah-ah
Na-na-na-na-ah-ah-ah)

You don't know the formula
For what we do
When we do this to you
You don't know the formula
For what we do
When we do this to you

You don't know the formula
For what we do
When we do this to you
You don't know the formula
For what we do
When we do this to you

When we do this to you
