DON'T YOU CALL MY NAME

Don't you call my name, cause I won't answer
Don't you call my name, cause I won't be there
You cheated on me, dear for your last time
Don't you call my name little girl cause I don't care

You ran around, you had your good times
Said you'd love me just the same
When the chips are down, and you get lonely
Then you come runnin' back to me callin' my name

Don't you call my name, cause I won't answer
Don't you call my name, cause I won't be there
You cheated on me dear for your last time
Don't you call my name little girl cause I don't care
I use to cry, and wait for you dear
While you played your cheatin' game
It's your turn now, just keep on cryin'
Can't hear you cry little girl but you call my name

Don't you call my name, cause I won't answer
Don't you call my name, cause I won't be there
You cheated on me dear for your last time
Don't you call my name little girl cause I don't care
(repeat)

Don't you call my name little girl cause I don't care
