All my life I have been seaching  
For the fabled promised land  
With my sisters and my brothers  
We shall walk there hand in hand  
Through the trials and tribulations  
And the Devil's cruel temptations  
I know that we will all get there one day (one day)

After years and years of wandering,  
Oh the kingdom we shall find (find the kingdom)  
And the doors may not be open  
But we'll gather in the line  
And our hearts will swell with pride  
The day those gates swing open wide  
And we take a walk down Main Street U.S.A.

Oh that Magic Kingdom in the sky (in the sky)  
We will all be there together by and by  
We will all drink from the fountain  
And go ridin' on Space Mountain  
When we reach that Magic Kingdom in the sky (in the sky)

Where Mother Minnie, Father Dopey,  
And Saint Tinkerbell abide  
There'll be no more cares or sorrows  
On that heavn'ly teacup ride  
I will lay down all my fears  
When I put on those big black ears  
And join the choir to sing in harmony

We will sing the songs of endless souls  
Who once had gone astray  
Who were lost but now are found  
In the Electric Light Parade  
Singin' Hakuna Matata  
Growin' Mouseketeer stigmata  
In the only club that's made for you and me.

Oh that Magic Kingdom in the sky (in the sky)  
We will all be there together by and by (by and by)

All God's children shall be free in  
Pirates of the Caribbean  
When we reach that Magic Kingdom in the sky (in the  
sky)

Oh the meekest and the poorest  
Their inheritance shall see  
And a zillion Japanese tourists  
All will join the jamboree  
They will ride that Holy Monorail  
Into sweet Providence  
When they learn that their redeemer  
Is a mouse in short red pants (Nice pants)

Won't you take me to Orlando  
Where the sun is shining bright?  
All the angels are clean shaven  
And the people snowy white  
Where your problems are all hidden  
And unhappiness forbidden  
You'll find salvation for a modest fee

Climb into my Winnebago  
And if you help with the gas  
Then we maybe can finagle you  
A five or six day pass  
May your afterlife be blessed  
Just American Express it  
Let Mastercard and Visa set you free

Oh that Magic Kingdom in the sky (in the sky)  
We will all be there together by and by (by and by)  
All religions may be practiced there  
Except for Southern Baptist  
When we reach that Magic Kingdom in the sky

Oh that Magic Kingdom in the sky (in the sky)  
Manufactured by that uncle Walter guy  
We'll give thanks to that old geezer  
And we'll keep him in the freezer  
When we reach that Magic Kingdom in the  
Reach the Magic Kingdom in the  
Reach that Magic Kingdom in the sky  
Sky- one, two- sky- two- high- two- high (we'll redo that  
ending)
