Oh!
Oh!

Christmas won't be the same without you
Gold and red ribbons wrapped around you
When we're apart it breaks my heart
Christmas won't be the same without you

Oh! Give me some of that Christmas feeling
Oh! I'm tired of giving and not receiving
Who am I gonna cuddle up to if I can't have you?
Christmas won't be the same without you

We had our ups and we had our downs too
Now all I do is think about you
And I don't know why we said goodbye
Christmas won't be the same without you

Oh! Give me some of that Christmas feeling
Oh! I'm tired of giving and not receiving
Who am I gonna cuddle up to if I can't have you?
Christmas won't be the same without you

I try my hardest to remember
Why we're apart and not together
If I could have my wish this December 25th
I want you under my tree here with me
Oh! Oh!

Oh! Give me some of that Christmas feeling
Oh! I'm tired of giving and not receiving
Who am I gonna cuddle up to if I can't have you?
Christmas won't be the same without you

Christmas won't be the same without you
Who am I gonna cuddle up to if I can't have you?
Christmas won't be the same without you
