theres nothin in this world that could describe to,
how i feel for you,
baby i will always love you,
but, will you, ever love me?

i really need to tell you,
really need to try and explain,
to you,
about my love for you,
and how strong it is!

(chorus)

so, dont look back,
(back to the past)
forget what i did,
(to not make us last)
and dont look back,
cause if you go, and you leave me,
ill be mad,
and you'll be sad,
for leavin me,
so baby just belive me,
and dont look back...

baby just believe that my love for you is strong,
and baby please listen to me,
(and dont look back...)
cause baby if you look back, back to the past,
your gonna make me regret, everything i did for you!
ooh whoa,
cause baby if you look back,
your just gonna see the mistakes that we made (and
that),
will make what we could have been,
absolutley, just a dream,
(to me...)

(repeat chorus)

whoa oh ohh oh ooh ho!
baby.....just dont look back...

dont look-back,
cause baby if you look back, back to the past,
your gonna make me regret, everything i did for you!
so baby! please, just believe me,
and dont ever leave me,
and do me this, this one thing....
dont look--back.....
