

Plain White T's "Gimme A Chance"

Visit "[Gimme A Chance](#)" on MotoLyrics.com

Why don't you open up your eyes?
These are more than passing glances
Why don't you say what's on your mind?
'Cause I'm taking all the chances

If I'm not everything you wanted, ohh
If I'm not everything you need

Then you can walk right out the door
(You can walk right out the door)
And you can walk right out on me
(You can walk right out on me)

But you're never gonna see
Just how good it's gonna be
Until you gimme a chance
Gimme a chance, ohh

What do you see in all these guys?
Don't you know they're just pretending?
Somehow you always seem surprised
That it's not a happy ending, don't you want a happy
ending?

If I'm not everything you wanted, ohh
If I'm not everything you need

Then you can walk right out the door
(You can walk right out the door)
And you can walk right out on me
(You can walk right out on me)

But you're never gonna see
Just how good it's gonna be
Until you gimme a chance
Gimme a chance, ohh

Yeah, you can walk right out the door
(You can walk right out the door)
And you just say goodbye to me
(You just say goodbye to me)

But I know you're going to stay
And be happy everyday
If you just gimme a chance
Gimme a chance, ohh

All I want to do is spend my life with you
And all I want from you is a chance
So I can prove my love to you
Just gimme a chance, gimme a chance

If I'm not everything you wanted, ohh
If I'm not everything you need

Then you can walk right out the door
(You can walk right out the door)
And you can walk right out on me
(You can walk right out on me)

But you're never gonna see
Just how good it's gonna be
Until you gimme a chance
Gimme a chance, ohh

Yeah, you can walk right out the door
(You can walk right out the door)
And you just say goodbye to me
(You just say goodbye to me)

But I know you're going to stay
And be happy everyday
If you just gimme a chance
Gimme a chance, ohh

Why don't you open up your eyes?
Just gimme a chance, gimme a chance, ohh
Why don't you say what's on your mind?
Just gimme a chance, gimme a chance, ohh
