The CD is over, go back to track one  
And start again from there...  
Skinny dippin' is so much fun  
Even in your underwear...  
It's cool and you just don't care...

You just don't care  
It's easy, you can never be afraid  
Listen to the music  
'Cause this is what dreams are made of  
You just gotta know! (ooooh)  
Just let yourself go,  
We'll see you at the show!

I'm all dressed up in a plain white T  
And now the girls can't stop looking at me  
I got the windows down and the radio LOUD  
You can feel something in the air  
It's cool and you just don't care

You just don't care  
It's easy, you can never be afraid  
Listen to the music  
'Cause this is what dreams are made of  
You just gotta know! (ooooh)  
Just let yourself go,  
We'll see you at the show!

The CD is over, go back to track one  
And start again from there...  
Come on over, we'll have so much fun  
And life will never be unfair...  
And love is always in the air...  
There's always something happening there  
It's cool and you just don't care...

You just don't care  
It's easy, you can never be afraid  
Listen to the music  
'Cause this is what dreams are made of  
You just gotta know! (ooooh)

Just let yourself go,  
We'll see you at the show!

You just don't care  
It's easy, you can never be afraid (You can never be  
afraid)  
Listen to the music  
'Cause this is what dreams are made of (This is what  
dreams are made of)  
You just gotta know! (You just gotta know) (oooooh)  
Just let yourself go, (Let go)  
We'll see you at the show! (See you at the show, see  
you at the show) [x5]
