Love love, love love love

You were everything I wanted You were everything a girl could be Then you left me broken hearted Now you don't mean a thing to me

All I wanted was your Love love, love love love

Hate is a strong word
But I really, really, really don't like you
Now that it's over
I don't even know what I liked about you

Brought you around and you just brought me down Hate is a strong word But I really, really, really don't like you I really don't like you

Thought that everything was perfect Isn't that how it's supposed to be?
Thought you thought that I was worth it Now I think a little differently

All I wanted was your Love love, love love love

Hate is a strong word
But I really, really, really don't like you
Now that it's over
I don't even know what I liked about you

Brought you around and you just brought me down Hate is a strong word But I really, really, really don't like you

Now that it's over you can't hurt me Now that it's over you can't bring me down

Oh oh, oh oh, oh oh, oh oh oh Oh oh, oh oh, oh oh, oh oh oh All I wanted was your Love love love love

Hate is a strong word
But I really, really, really don't like you
Now that it's over
I don't even know what I liked about you

Brought you around and you just brought me down Hate is a strong word But I really, really, really don't like you

(Oh oh, oh oh, oh oh, oh oh)
I really don't like you
(Oh oh, oh oh, oh oh, oh oh oh)
I really don't like you
(Oh oh, oh oh, oh oh, oh oh oh)
I really don't like you
(Oh oh, oh oh, oh oh, oh oh)
