Friday night's such a beautiful night  
Where you going?  
I didn't mean to blow it  
You're upset and I don't know what I said  
But I'm sorry  
Don't you give about me?

Take off your jacket  
Don't walk out that door

You and me  
We should be  
Making a memory whenever we're together, yeah  
Look at me  
Can't you see  
We were meant to be  
Making a memory

Don't pretend you're not smiling again  
Let's just leave it  
You know I didn't mean it  
Don't know why we put up such a fight  
Over nothing  
When we could still be something

Take off your jacket  
Don't walk out that door  
There's no need to leave anymore

You and me  
We should be  
Making a memory whenever we're together, yeah  
Look at me  
Can't you see  
We were meant to be  
Making a memory

Can't do this myself  
No, I need some help  
Wanted some help

Friday night's such a beautiful night

Now you're staying

You and me

We should be

Making a memory whenever we're together, yeah

Look at me

Can't you see

We were meant to be

Making a memory

Friday night's such a beautiful night (making a  
memory)

Now you're saying

(Making a memory)

Don't know why we put up such a fight (making a  
memory)

Over nothing

(Making a memory)
