Oh please, don't go.
I need you.
I'll please you, not mislead you.
If you would be my only one.

Together we move slowly.
I'll never leave you lonely.
If you would be my only one.

If you believe
We were meant to be.
Why'd you leave me alone?

What happend to forever?
I'll try to make things better.

If you would be my only one.
Now six days since we've spoken.
I'll fix you when you're broken.
If you would be my only one.

If you believe
We were meant to be.
Why'd you leave me alone?
If you believe
We were meant to be.
Why'd you leave me alone?

If you love me too.

Can I call you?
My Only One.
If you say no.

I won't let go.

My Only One.
If you believe
We were meant to be.
Why'd you leave me alone?

If you believe

We were meant to be.
Why'd you leave me alone?
