Your time has already come and I don't know why.  
The last thing that I had heard,  
you were doin' just fine.  
It seems like just yesterday,  
I was laughing with you,  
Playing games at Grandma's house,  
well you taught me well, didn't you?

I hope I'm just like you

Do they have radios in heaven?  
I hope they do  
'Cause they're playing my song on the radio  
And I'm singing it to you,  
I'm singing it to you you you you.

You left before I had a chance to say goodbye,  
But that's the way life usually is,  
it just passes you by.  
But you can't hold on to regrets and you can't look  
back.  
So I'll just be thankful for the times that I had with you.

I hope I'm just like you.

Do they have radios in heaven?  
I hope they do.  
'Cause they're playing my song on the radio,  
And I'm singing it to you,  
I'm singing it to you.  
If they don't have radios in heaven,  
here's what I'll do,  
I can bring my guitar when my time is up,  
and I'll play it for you,  
I'll play it for you you you you.

Tell me can you hear me now?  
if not, then I can try to sing real loud.  
What's it like up on the other side of the clouds?

I hope I'm just like you.  
I hope I turn out to be as good as you.

And do they have radios in heaven?  
i hope they do.  
'Cause they're playing my song on the radio,  
And I'm singing it to you,  
I'm singing to you.

If they don't have radios in heaven,  
here's what I'll do,  
I can bring my guitar when my time is up,  
and I'll play it for you.  
I'll play it for you you you you...  
you you you,  
(radios)  
you you you.  
I'll play it for you,  
radios in heaven,  
(radios)  
i hope they do,  
i hope they do.
