By now you should  
Know everything you say  
Can and will be used  
Against you some day

I got the microphone  
So don't go too far  
'Cause I'm gonna  
Tell the whole world  
How you really are

I don't even care  
How you're gonna feel  
'Cause I've already tried  
To give you something real

So go ahead and get mad  
Never talk to me again  
I don't even care 'cause I got my

Revenge, revenge, revenge  
Got my revenge

One night  
You're begging me to stay  
The next night  
You push me away

I don't need  
You're promising to give it up  
It's too late  
'Cause now I'm giving up

Revenge, revenge  
Got my revenge

By now you should  
Know everything you say  
Can and will be used  
Against you some day

I got the microphone

So don't go too far  
'Cause I'm gonna tell  
The whole world  
How you really are

So go ahead and get mad  
Never talk to me again  
I don't even care 'cause I got my

Revenge, revenge  
Got my revenge  
Revenge, revenge, revenge  
Got my revenge  
Revenge, revenge
