Wake up in the morning
Long way from home
Alarm clock is a warning
I'm still alone

Set up for a letdown
Open my eyes
New name for the same town
It's no surprise

That it's another rough day alright
But I can't wait 'til tonight
Tonight, tonight, tonight
I can't wait 'til tonight
Tonight, tonight, tonight

Wake up in the morning
Another day
Gray skies bring the storm in
Things never change

Stare out of the window
Through tired eyes
So hard just to let go
It's no surprise

That it's another rough day alright
But I can't wait 'til tonight
Tonight, tonight, tonight
I can't wait 'til tonight
Tonight, tonight, tonight

Tonight, I'll get up on that stage
And all our problems seem to go away
Tonight, I'll get up in those lights
And I will sing my best for you tonight

No, I can't wait 'til tonight
Tonight, tonight, tonight
I can't wait 'til tonight
Tonight, tonight, tonight
I can't wait 'til tonight
