Someday we'll all get started  
Someday we'll have what we wanted  
Someday we'll want what's better  
Someday we'll all live forever  
oh, oh, oh, oh, oh  
oh, oh, oh, oh, oh

Someday we'll all reach higher  
Someday we won't be so tired  
Someday we won't say never  
Someday we'll all be together  
oh, oh, oh, oh, oh

What if we all could just agree (what if we all could just agree)  
to live together in the world, in perfect harmony?  
What if we all could find a way (what if we all could find a way)  
to live a better life today?

Someday we'll all get started  
Someday we'll have what we wanted  
Someday we'll want what's better  
Someday we'll all live forever  
oh, oh, oh, oh, oh (oh, they will never understand us)  
oh, oh, oh, oh, oh (oh, wouldn't want it any other way)  
oh, oh, oh, oh, oh (oh, they won't always stand against us)

oh, oh, oh, oh, oh (oh, oh, oh, oh)

What if we all could just agree (what if we all could just agree)  
to live together in the world, in perfect harmony?  
What if we all could find a way (what if we all could find a way)  
to live a better life today?

Someday we'll all get started  
Someday we'll have what we wanted  
Someday we'll want what's better  
Someday we'll all be together

Someday we'll all reach higher  
Someday we won't be so tired  
Someday we won't say never  
Someday we'll all be together  
Someday we'll all reach higher  
Someday we won't be so tired  
Someday we won't say never  
Someday we'll all live forever  
oh, oh, oh, oh, oh  
Someday we'll all live forever  
oh, oh, oh, oh, oh  
Someday we'll all live forever  
oh, oh, oh, oh, oh  
Someday we'll all live forever  
oh, oh, oh, oh, oh
