I just got off the phone with you
And something wasn't right
I wish that what I said was true
But I messed up tonight

I wish you could understand the way
I felt when she looked at me today
Oh, oh, oh, oh
Oh, when did I start tearin' us apart?
I'm tearin' us apart
Oh, oh, oh, oh

I just got off the phone with you
Like any other night
I know that I said I loved you too
But she was on my mind

I wish you could understand the way
I felt when she looked at me today
Oh, oh, oh, oh
Oh, when did I start tearin' us apart?
I'm tearin' us apart

At this time in me, I have made up my mind
Everyone thinks that I'm crazy
But I cannot deny all these feelings inside
All I can say is I'm sorry, I'm so sorry

I just got off the phone with you
I didn't even cry
I just did what I had to do
I had to say goodbye

I wish you could understand the way
I felt when she looked at me today
Oh, oh, oh, oh
Oh, when did I start tearin' us apart?
I'm tearin' us apart

Understand the way
Looked at me today
Oh, oh, oh, oh

Oh, when did I start tearin' us apart?
I'm tearin' us apart
Oh, oh, oh, oh
