Umbrella

You had my heart
We'll never be worlds Apart
Maybe in magazines
But You'll still be my star
Baby cause in the dark
you can't see shiny cars
That's when you need me there
With you i'll always Share
Because

[CHORUS]

When the sun Shine
We shine Together
Told you i'll be here Forever
Said I'll always be your friend
Took a note IÂ´m stick it out till the end
Now that it's raining more then ever
Know that we'll still have each other
You can stand under my Umbrella
You can stand under my Umbrella
(Ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)

Cause everything
Will never come in between
Your apart of my Entity
Here for infinity
When the war has delt it's part
when the world has delt it's card
If the hand is hard
Together we'll messure
Because

[CHORUS]

When the sun Shine
We shine Together
Told you i'll be here Forever
Said I'll always be your friend
So come on out and stick it out till the end
Now that it's raining more then ever

Know that we'll still have each other
You can stand under my Umbrella
You can stand under my Umbrella
(Ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)

[BRIDGE]

You can run into my arms
it's okay don't be alarmed
(Come into me)
(there's no distance in between our love)
So, Go on and let the Rain pour
I'll be all you need and more
Because

[CHORUS]

When the sun Shine
We shine Together
Told you i'll be here Forever
Said I'll always be your friend
So come on out and stick it out till the end
Now that it's raining more then ever
Know that we'll still have each other
You can stand under my Umbrella
You can stand under my Umbrella
(Ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)

It's raining
Oh baby it's raining
Baby Come Into me
Come into me
It's raining
Oh baby it's raining

You can always come into me
