What If Lyrics

What if nobody likes me
What if I don't succeed
What if I give it all that I've got
And I still don't got what they need
What if I don't get anywhere at all
Will I consider myself a failure
Will I be that small

What if she doesn't like me
What if I'm not her type
What if all the girls that ever like me
Are not the kind of girls that I like
What if I meet the right one and screw it up
Will I consider myself a failure
Will I give up

I'm gonna keep trying
Getting denied just makes me want it more
I'll keep trying and each time push harder than before
I can't live my life always worried about what if
'Cause what if I die tomorrow
Then I never even lived

What if they don't like me
What if they think I'm a joke
What if they act nice to my face
But they hate me and I don't even know
What if they end up stabbing me in the back
Will I consider myself a failure or will I fight back

I'm gonna keep trying
Getting denied just makes me want it more
I'll keep trying and each time push harder than before
I can't live my life always worried about what if
'Cause what if I die tomorrow
Then I never even lived

What if nobody likes me
What if I don't succeed
What if I give it all that I got
And it's not good enough til I bleed

What if I don't get anywhere at all
Would I consider myself a failure
Will I be that small
NO

I'm gonna keep trying
Getting denied just makes me want it more
I'll keep trying and each time push harder than before
I can't live my life always worried about what if
'Cause what if I die tomorrow
Then I never even lived

I'm gonna keep trying
Getting denied just makes me want it more
I'll keep trying and each time push harder than before
I can't live my life always worried about what if
'Cause what if I die tomorrow
Then I never even lived
