Tell me what's wrong  
Tell me what's right  
Tell me how you want me to do it tonight  
I don't want to sing  
I don't want to shout  
I just want a feeling that i'm living without  
What more do you want  
What more do you want  
What more do you want  
From me

Tell me what you need  
Tell me what you want  
Tell me that you only want to get it from me  
I know what to say  
I know what to do  
So the jokes on you  
I know that you're staying  
What more do you want

What more do you want  
From me  
What more do you want  
(that's what you want, that's right)  
Tell me what's wrong

Tell me what's right  
Tell me how you want me to do it tonight  
I don't want to sing  
I don't want to shout

I just want a feeling that i'm living without  
I know what to say  
I don't want to wait but tell me it's right  
I know what to do  
I know that you're staying so the jokes on you  
What more do you want (do you want)  
I don't want to wait, i've been waiting all night  
What more do you want (do you want)  
What more do you want (do you want)  
What more do you want (do you want)  
From me
