Verse 1:(Kris Kristofferson)

I'm gonna steal a silver stallion,with not a mark upon
his silky hide
Teach him he can trust me like a brother,one day we'll
saddle up and ride

Chorus:(All together with the lead voice of Johnny Cash)
And we're gonna ride,we're gonna ride
Ride like the one eyed jack of diamonds with the devil
close behind
We're gonna ride

Verse 2:(Waylon Jennings)

I'm gonna find me a reckless woman,razor blades and
dice in her eyes
Just a touch of sadness in her fingers,thunder and
lightening in her thighs

Chorus.

Verse 3:(Willie Nelson)

I'm gonna chase the sky forever,with the woman and
the stallion and the wind
The sun is gonna burn into a cinder,before we ever
pass this way again

Chorus.
