All the stories are over  
Chapters are done  
All this chaos around me  
Always Alone

Why did I see burning fires in your eyes?  
How could you let me end up in this?  
Well, I don't know  
The rose I hold  
Won't seem to grow

So what have you done?  
What are you hiding?  
What are you holding onto?  
This side of me is gone  
It's killing me inside  
To watch you go  
It's keeping me alive

All the sirens are warning  
Screaming our sins  
I've been hiding the feeling  
Of touching your skin  
Why did I put out the fires in your eyes?  
How could I erase the living in me?  
I need to go  
My lonely soul falls on you

So what have you done?  
What are you hiding?  
What are you holding onto?  
This side of me is gone  
It's killing me inside  
To watch you go  
It's keeping me alive  
It's keeping me alive

So what have you done?  
What are you hiding?  
What are you holding onto?  
This side of me is gone  
It's killing me inside

To watch you go
