Chorus:

She could bend a sword in her hand  
She could rule a big foreign land  
Her cookin's always spicy not bland  
Her escape pod's already manned/And then she'll form  
a rock'n'roll band  
She could bend a sword in her hand

There's many stories I know  
This one's as good as gold  
A formidable foe

Chorus

She came right up to me  
Said, Al, you plainly see,  
Bust out a do-re-mi

Chorus

You see her comin' up a dark alley  
You gonna fuck with her  
I don't think so

This is the very last verse  
Things couldn't get much worse  
She left us in a hearse

Chorus
