The day when MTV started I thought I was in heaven
and I'd died Videos well-suited my short attention
span Got my first cocaine snort and I was wired

I spent my life in the early Eighties When Reagan and
the Smurfs were here to stay I'm a child of the Me

Ric Ocasek was my hero Scrawny long bad posture all
the same He was kinda ugly and kinda dorky I was

John Belushi's really dead now Three's Company's
gone into repeats Tom Selleck and Don Jonson are
trying to be movie stars Without their fashion pastels
they're just not complete

The Love Boat Sails The Contras wail Bad economy

Take me back to your better days When the Clash
headlined arena shows When everybody wondered
what they meant by Freeze Frame And J. Geil's

Mr. T

I spent my life in the early Eighties When shuttles
exploded in the sky Yuppies like bunnies multiplied in
