There's a pink world
Comin' down
Yeah there's a pink world
And it's comin' down

In a quiet little village by the sea
I hear the calling and it calls for you and me
So leave your riches and your houses on the hills
Cancel all your credit cards and settle up your bills
Cause you won't need them anymore
Close down the factories, blow up all the stores

Cause there's a pink world
Comin' down
Yeah there's a pink world
And it's comin' down

Once I stood in NewYork City with a sign
Sayin', the end is comin', friends repent while there's
still time"
I will admit that no one really seemed to hear
They would laugh and point their fingers at my sandals
and my beard
But now they'll listen when I say
I have proof, cause I read it in the supermarket today

And there's a pink world
Comin' down
Yeah there's a pink world
And it's comin' down

And it rolls like an avalanche
And it will sweep you away
Yes it rolls like an avalanche
And it will carry us away

It's a pink world
It's a pink world

And it rolls like an avalanche
And it will sweep us away
