Power tools  
Power tools  
Power tools  
To make life easy  
Power tools  
To make life fun

Hey, electricity  
Don't pull the plug, shut down on me  
I'm bringin' the new technology  
And it's crazy  
Everywhere machinery  
Tools keep me company  
I talk to the scenery  
It talks back to me

Power tools  
To make life easy  
Power tools  
To make life fun

Where I'm goin' I'm like a king  
They're watchin' the skies wonder'n what I'll bring  
I got 'em all believin' they need these things  
And they're crazy  
They think it's magic, don't wanna know  
What makes it work, what makes it go  
I give 'em Gomer Pyle on the video  
They go crazy

I give 'em  
Power tools  
To make life easy  
Power tools  
To make life fun

I'm never gonna shut it down  
They're never gonna shut me down

No, no, I'm bringin'  
I'm bringin'

Power tools  
To make life easy  
Power tools  
To make life fun  
Power tools  
To make life easy  
Power tools  
To make life fun  
I'm bringin' power tools  
I'm bringin' power tools  
I'm bringin' power tools  
I'm bringin' power tools
