Lady, are you on the line
Don't go away
I'm waiting, I'm runnin' out of time
I'll be leaving here any day
Are you with me? I gotta know
Babe, I can't let you go
I need an answer now
I need you

What you gonna do
Send it in a letter
Or ship it by rail
Send it by telegram
Or rush it to me air mail
I don't want your sympathy
I only want you
So go on make your mind up
What you gonna do
Send it in a letter
Send it in a letter

Believe me, we're still the best
Don't let me go, don't leave me
Forget the rest
Baby let me know
Are you with me? I gotta know
Babe, I can't let you go
I need an answer now
I need you

What you gonna do
Send it in a letter
Or ship it by rail
Send it by telegram
Or rush it to me air mail
I don't want your sympathy
I only want you
So go on make your mind up
What you gonna do
Send it in a letter

Uh huh, send it (send it in a letter)

I said send it (send it in a letter)
Baby, send it (send it in a letter)
Baby, send it (send it in a letter)
Oh uh huh send it (send it in a letter)
Answer me, send it (send it in a letter)
