I heard a whisper in the tunnels today
Oh yeah
They were coming for my neighbour and they took him
away
Oh yeah
He was preaching revolution when he talked in his
sleep
Oh yeah
And his mother told security and sold him out cheap
Oh yeah

What a perfect place
This perfect place
Everywhere you look you can see his face
This perfect place
This perfect place

It's such a comfort when he knows what you think
Oh yeah
It's a little like Santa Claus faded to pink
Oh yeah
We got the cutest little cameras hanging everywhere
Oh yeah
After a while you just forget they're there
Oh yeah

What a perfect place
This perfect place
Everywhere you look you can see his face
This perfect place
Oh yeah
What a perfect place
This perfect place
This perfect place
This perfect place

We got the cutest little cameras hanging everywhere
Oh yeah
After a while you just forget they're there
Oh yeah
What a perfect place
This perfect place

This perfect place
This perfect place
