Sitting up here watching all the lights blink below  
The earth is turning, why does it go so slow?  
Thinking about the girl I left behind  
Houston can you hear me, or have I lost my mind?  
Why me? Why me?

I was waiting on the pad, all systems were go  
The man up in the tower was enjoying the show  
Then I got this feeling that I never had before  
Hey let me out of here, what am I here for?  
Why me? Why me?

There must be a thousand other guys  
Must be some other way to look good in your eyes  
Why am I up here? What do they see in me?  
Must be one thousand other places to be  
Why me? Why Me?

The last man to be here was never heard from again  
He won't be back this way till 2010  
Now I'm riding on a fountain of fire  
With my back to the earth, I go higher and higher  
Why me? Why me?

There must be a thousand other guys  
Must be some other way to look good in your eyes  
Why am I up here? What do they see in me?  
Must be one thousand other places to be  
Why me? Why me?  
Take anyone but me. Why me?  
Take anyone but me. Why me?
