If there's a heaven
It's where I want to be with you, some day
My soul is aching, over again
I'm so blue, for you
Tell me why it's so hard
To hold you for one more day
Chorus
Explain, why there is time
And nothing left to die for, today
Change, tell me a lie
And promise me a heaven, for a day
Don't leave me behind
I'm running around in circles
Caught up in a trap so confused, inside
It should be so easy
To be with you again some way, some day
Tell me why it's so hard
To hold you just for one day
Chorus
Explain, why there....
