Move in me as You must
Breathe Your life into this dust
Mold my heart to Your will
Shape this shapeless soul until

I live to sing Your praise
Like a lullaby, like 'Amazing Grace'
I live to sing Your praise
Till my days are gone
And I see Your face

Mysteries remain unknown
Until I stand before Your throne
I lift my eyes to take You in
I long for this but until then

I live to sing Your praise
Like a lullaby, like 'Amazing Grace'
I live to sing Your praise
Till my days are gone
And I see Your face

Like a lullaby, like 'Amazing Grace'
Till my days are gone
And I see Your face

Move in me as You must
Breathe Your life into this dust

I live to sing Your praise
Like a lullaby, like 'Amazing Grace'
I live to sing Your praise
Till my days are gone
And I see Your face

I live to sing Your praise
Like a lullaby, like 'Amazing Grace'
I live to sing Your praise
Till my days are gone
And I see Your face

Till my days are gone

And I see Your face
