I just can't believe it
There's something about you girl
We're made for each other
So why don't you stay this time

I'll lead you all the way, today

Chorus
Radio, radioactive love
Why don't you, why don't you stay with me
Radio, radioactive love
Why don't you, why don't you stay for a while
And come live with me

You lay down beside me
And girl you are looking good
You are so unbelievable
You turn my world upside down

I'll lead you all the way, today

Chorus
Radio....

I hear the morning, whisper to me now
So hear my voice, I'm calling for your love
For your love

Chorus
Radio....
