A girl I met from Québec city thought my accent was  
cute  
Say I was looking pretty said she likes Grim Skunk,  
So we hit it off  
Seemed like love till the buzz wore off  
Holiday, away from you  
Oh I know it's getting really scary  
The situation with this girl is getting kinda harry  
She's bitchin's holaring,  
Screaming in my ear  
While I'm sit around with my hands down my pants  
Holiday, away from you  
A girl I met from Québec city thought my accent was  
cute  
Say I was looking pretty said she likes Grim Skunk,  
So we hit it off mais une nuit ça suffit,  
One night was enough  
Now I'm gone can't get her off my mind  
I find myself thinking about her all the time  
The separation between us doesn't feel quite righ  
Oh je me souviens gotta get on with my life
